

Professor Dr Nor Zuraida Zainal

Professor Dr Nor Zuraida Zainal is a Consultant Psychiatrist in the University Malaya Medical Centre, Kuala Lumpur. She heads the Liaison-Psychiatry Division in the Department of Psychological Medicine since year 2000. She had an experience from a short clinical attachment with Psycho-oncology team in Leicester General Hospital and Christie Cancer Hospital in Manchester, UK. She started Psycho-oncology service in the University Malaya Medical Centre (UMMC) since in early 2006. The services mainly deals with referrals from the oncologists and surgeons treating cancer patients who have psychological distress either due to the consequences of chemotherapy or by the disease itself. The psycho-oncology team provides counseling, psychotherapy and pharmacotherapy for the distressed patients. Professor Nor Zuraida is also active in research related to oncology and has presented her papers in the international congress on psycho-oncology.
